TERMS OF SALE

This is a Mail Bid Sale as well as a Public Auction. Mail Bids will be accepted for both the Public Auction Sessions, as well as the Mail Bid Section. We act as the Agent for all Mail Bidders and will secure the lot for the Mail Bidder at the next regular advance over the second high bid, whether by Mail or by Person. There is no charge for this service, and in many cases a Mail Bidder will receive a lot at a much lower figure than the maximum authorized. Mail Bids will be accepted until the actual starting time for each Public Session, and until 5:00 P.M. September 21st for the Mail Bid only part.

All lots offered will be sold to the highest bidder without reserve.

All items offered are guaranteed to be genuine and as listed.

Lots to be mailed to addresses not in the United States of America or its Territories, will be made only at the risk of the purchaser. We cannot obtain insurance on material sent by U.S. Registered Mail to other countries; therefore, bidders must provide their own insurance or assume the risk of non-delivery. We can obtain insurance for small amounts when shipping by U.S. Air Parcel Post or for larger amounts when shipping by Air Freight through a private carrier. Both Parcel Post and Air Freight require that we furnish a detailed listing of the contents of the package, as well as the price of each item. Since this information is placed on the outside of the package, we feel it only adds to the risk of non-delivery. Foreign bidders must supply full detailed shipping instructions and agree to all terms as listed hereon, before shipment will be made.

Error on the part of the Cataloguer will be cheerfully corrected. Please check your bid sheet carefully, as we cannot accept responsibility for the errors of others.

Postage and insurance will be added to all lots sent by mail. Unless otherwise indicated by the bidder, we will use our own discretion as to whether material will be sent by Air or Surface Mail.

State Sales Tax will be added where applicable.

Terms are Cash. Checks payable in U.S. funds only will be accepted from persons known to us, or from those who furnish satisfactory references and proper identification. We must have ample time to check references if they are to be acceptable to us. Payments made by Bank Transfer from foreign accounts must be made in U.S. Dollars to the Account of Jess Peters, Inc., in care of the First National Bank of Decatur, through any U.S. correspondent bank.

Title to all coins remains with the cataloguer until paid for in full.

Material offered in this sale may be examined by appointment only, at our bank, during banking hours through September 21st and at the Auction Site prior to each session.

Prices Realized lists will be sent to all persons on our subscription plan. Others may order them at \$1, and we appreciate payment being made with the request. Lists are usually mailed within ten days after the sale closes.

We normally issue at least 8 Mail Bid and/or Public Auction Sales each year. Sample catalogs will be sent persons requesting them. Free by surface mail or to U.S. addresses. Air service to other countries is available. Please inquire about charges.

CONSIGNMENTS ARE SOLICITED FOR FUTURE SALES.
